There are a few requirements to a successful **Holiday Let** and this guide serves to help you generate the maximum income from your holiday home, with minimum hassle.

D. Buying a self catering holiday cottage

✓ Location Location Location!

A second home or holiday home let in a good location frequented by tourists can play an important role. As a rule of thumb, buying a 2nd home close to the the coast will always prove to be a favourite with holiday makers. That said, we have found that by talking to our customers and understanding their needs; every person is different and many also look to get away from it all in the countryside.

✓ The personal touch

It is important to offer visitors a real home-from-home experience. Doing this will ensure the customer settles into the home and relaxes straight away. Avoid equipping your home with out-of-date second hand furniture, as many customers expect something more than they currently have in their own home. First impressions are paramount and, after a long drive and possibly being new to the area, there is nothing better than arriving to some fresh flowers, milk, tea and a Welcome Book with recommended attractions to visit and places of interest.

✓ Modern conveniences

A property with a well considered interior design that is well-equipped will be welcomed by guests. Holiday makers appreciate quality fixtures, fittings and furniture. All our properties include bed linen & utilities in the holiday cost. During these technologically advanced times, demand for WiFi availability, Satellite TV Packages and games consoles has significantly increased and is always a selling feature.

✓ Hot tubs and swimming pools

Though not at all a requirement, the latter may serve to increase the desirability factor of your Holiday Cottage let. Choice Cottages can assist you in the cost versus revenue benefits to purchasing hot tubs, building in pools or renovating existing structures.

✓ Children

Catering for children opens up your property to a wider audience. We have found that families are a big part of our database. Adding a selection of Toys, Games, DVDs and Books makes all the difference, especially if the weather is poor. Outside, it is worth considering a swing set or other equipment. If the children are happy, the parents are happy too.

✓ Pets

A large percentage of holiday makers like to travel with their pets, so by allowing dogs into your holiday home, you will open up your property to a larger audience. Guests are also charged extra for pets which is passed straight to you.

E. Furnishing and Equipping your Holiday Cottage

Use good quality, robust furniture and equipment that can be easily cleaned and will not be high maintenance. All furnishing should abide by gas and fire safety regulations and electrical items need to be PAT tested. It is very important to remember that the Holiday Home Let rental rates you can charge will reflect the standard of your furnishing and equipment. There will be inevitable wear and tear and occasional damages; as would happen in your main home, so avoid items that have personal significance.

Living areas: Comfortable, durable furniture is recommended, remembering that you are aiming to fill your second property for potentially 52 weeks a year. Ideally there should be sufficient seating to cater for the number of people you sleep in both the dining and living room areas. Sofa beds can be a good idea, as they extend the sleeping arrangements, though the latter will not be quoted as formal sleeping. If your property is on multiple levels, stairs gates are a necessity. Adding a Toy Box, a selection of Books and Board Games will always help to entice a visitor.

Kitchens: Other than the standard cooker, grill and oven, these should be equipped with a microwave, toaster, a dishwasher, (where possible), and ideally, a washing machine. A clothes dryer can also be very useful. Fridge and sufficient freezer space is important so that visitors can cater for their full week's stay. As a rule of thumb you should cater for at least double the maximum number that will stay in terms of cutlery, glass, china and kitchen utensils. Children's cutlery is always a nice touch. Appropriate pans, kitchen utensils, baking trays, coffee pots and tea pots are an obvious requirement. Breakfast bars, casual or formal seating encourage socialising during food preparation and where space allows, would be recommended. For young children, a high chair would be recommended.

Bedrooms: Beds and sofa beds should be good quality and comfortable. Ideally, there should be bedside tables and lamps, at least one hairdryer and ample hanging and storage space. Our team at Choice Cottages would be happy to work with you to configure the ideal bedroom set-up and combination of double beds, twins and bunks. The tariff band you will ultimately command will be largely dependent on the number of people you can sleep. Why not spend a night in each bedroom to check it out for yourself. For young children, you should supply a travel cot.

Linen: We recommend you have at least two sets of linen for every bed, to allow for same day changeovers. Also; have good supplies of tablecloths, kitchen cloths etc.

Media: More and more, visitors ask for WiFi. This is a chargeable extra, so installing broadband would be recommended. Additionally, FreeView, Sky or Virgin TV packages will make your property stand out. Though not a requirement, multiple TV's throughout the home will add value. To cater for entertaining or 'bad' weather, we would suggest that you consider a Games Console with a selection of games, DVD / BlueRay player, Sound System with CD / Radio and an iPod Dock.

Flooring: This should be hard wearing, low maintenance, not easily damaged and easy to clean. Wooden or tiled floors with rugs are a good idea, together with washable throws for soft furnishings. Avoid carpeting bathrooms, where possible.

Making a house a home: You should have a balance between making your house a 'home' with personal touches like artwork, books, vases, and ornaments but without filling the space with personal artefacts like family portraits. Try to create an atmosphere appropriate to the location and style of the holiday home. We recommend you allocate a storage area or cupboard where you can store your own personal things, or items with sentimental value. Keep the latter locked when you are away.

Exterior: Ideally your exterior spaces should be fenced off. This especially true if you are going to allow pets or to allow for the safety of young children. An outdoor entertaining area, (where possible), with appropriate table and seating is highly recommended, as is a Barbecue. If space allows, children's games, a swing set or climbing gym will help to sell your holiday let.

F. Your financial objectives

There are some fundamental questions you need to ask yourself before you go ahead with letting your **Holiday Cottage** with the aim of making money from your investment:

- / What are your financial or Investment objectives with your Holiday Home?
- / Do you want to maximise the commercial income from your investment or just cover the costs?
- / How often do you want to holiday at your 2nd home yourself?
- / Do you want to be there on certain set dates, or can you be flexible?
- / Do you want to be there in the peak, summer holiday times (when the rates are highest?)
- / Are you happy to have children, (and is your holiday home suitable?)
- / Would you consider allowing the visitor in bringing a pet? (Many visitors holiday locally with their dogs.)
- / What are you prepared to invest in terms of renovations, furnishings, appliances and the like?
- / Will you do your own property management, or will you be employing a property manager?
- / What price per week are you looking to achieve? (Choice's expert team will help decide this with you.)

You may have to make some compromises, but you should be clear in advance where you stand on these issues, as many other decisions flow from them.

F.1 Costs:

Buying your Holiday Home - It goes without saying that there are associated costs with purchasing and/or mortgaging your Cottage or second home for Holiday Let purposes.

Signing on fee and commission - To become part of our team you will need to agree to contract your property with us for one year as your sole letting agents. Our registration fee is £95 + VAT and our commission is 20% plus VAT on all bookings. Our annual renewal fee is £75 + VAT.

Payment and booking process - We deal with all booking and payment processes. We initially take a deposit from the customer and notify you of the full details of the booking and the details of the client. We also notify the Property Manager of the Booking Details on your behalf. We then take the remaining balance 8 weeks prior to the holiday. You will be paid monthly by electronic bank transfer on the 7th of each month for arrivals in the preceding month. We also send clients their booking information and arrival guidelines.

Tax Due - It may be that you will have to pay tax on the income from your Holiday Cottage Let. We could recommend you seek advice from a qualified accountant or tax specialist to clarify the potential costs, as well as the potential savings against income.

Changeover Costs - If you are going to employ a Property Manager rather than do the changeovers yourself, there will be costs associated for cleaning and linen. These costs will need to be negotiated with your Property Manager and will be largely dependent on the size of your property. Choice Cottages would be happy to supply you with a recommended list of Property Managers in your area.

Utilities - There will be the obvious costs around gas, electricity, water and council tax. There may also be additional costs for broadband, digital TV, garden services, upkeep and pool maintenance; depending on your property.

Damages - Although we can implement a Damage Deposit, you may incur damages from time to time, or will need to replace items due to natural wear & tear. For this you will need to take out insurance and/or budget for the replacement of appliances or the like on an annual basis.

F.2 Income & Return:

Equity of your Holiday Cottage - Dependent on the economic climate, it would be reasonable to expect that your Holiday Home Investment would increase in value and provide equity over time so that ultimately you make money from your second home. This is particularly true if you buy in recession-resistant Tourist hotspots.

Booking Revenue - Owners can enjoy considerable income from letting out their Holiday Cottages and dependant on the area and property size, this can more than cover your mortgage repayments. It is certainly not unheard of for Owners to use the surplus income from their Holiday Cottage to fund the purchase of an additional Holiday Home over time. Choice Cottages expert team will proactively work with you on the income potential of your home. Every property is different, but properties achieving in excess of 20 bookings per annum, will earn on average between £7000.00 (for a 1 bed property) to £50,000.00 (for a high-spec 6 bed property).

Add to Basket items - Items including Pets, WiFi, Travel Cot, High Chair, Beach Towels, Bath Towels, secondary Firewood Supply and where applicable, Hot Tub usage - are all Add to Basket Items for which you will receive the revenue and which will help offset your running costs. (*Note: Some Owners elect to include some or all of the Add to Baskets Items as Inclusive.*)

Tax Deductions - Many costs you incur, such as mortgage interest and our agency fees can be claimed against pretax earnings. We could recommend you seek advice from a qualified accountant or tax specialist to clarify the potential savings.

Changeover Costs - As the Owner of the property, you and/or your family and friends will benefit from Owner Bookings at your Holiday Home and for which you will 'pay' considerably less than you would have letting a Holiday Cottage or for a Hotel stay. (*Note: Choice Cottages do not levy a charge to the Owner for an Owner Booking. We are also very flexible as to the weeks you as the Owner reserve, provided there is not already a Booking in place and that you give Advance Notice.*)

Cancellation Plan - We implement a holiday Cancellation Plan, which is payable by the customer and will eliminate any financial loss to you if a holiday is cancelled. The scheme covers serious illness, bereavement or redundancy.

Damage Deposit - We can implement a Damage Deposit to a maximum of £100, which is payable by the customer on receipt of proof from the Owner and/or associated invoices relating to the damage. For larger damages, the Damage Deposit serves to assist in covering the Owner's Insurance Excess.

G. Marketing & Advertising of your Holiday Cottage Let

/ Our Website -

Choice Cottages Website attracts many thousands of unique visitors every day and we are proud of the ease of navigation and live availability it offers. We use Search Engine Optimisation (SEO), Social Bookmarking, Directory Listings and Marketing across many relevant or Affiliated Websites to attract new Holiday Makers and deliver Industry Leading Bookings.

/ Digital Campaigns -

We have an in-house marketing team who produce and deliver effective advertising strategies using an up-to-date database of holiday makers and enquirers. We are proud of a large proportion of repeat business and are seeing more referrals each year; including an increasing international presence. To this end, we consistently run email campaigns to an engaged audience in target markets across the UK & Europe. These campaigns are dynamic to the prevailing economic environment, time of the year and what is going on in the area.

/ Print Media & Publications -

Much of our holiday home advertising is targeted to attract new visitors as well as retaining our valued repeat customers. Our marketing spend is spread over all media areas, including traditional media such as newspapers, strategically selected magazines and brochures as well as local directories & publications. Responses are monitored and strategies are altered real-time in keeping with holidaymakers' booking trends. Carefully monitored and executed Leaflet Drops and Direct Marketing Campaigns are conducted at key times during the year.

/ Exhibitions & Conferences -

We regularly attend specific Holiday Exhibitions and participate in local Festivals and Events to advertise our brand. This includes, but is not limited to the annual Gold Coast Festival in Croyde Bay. Choice Cottages also arranges an annual get-together for Owners as an opportunity to share ideas and celebrate the year past.

/ Online and custom brochures -

At Choice Cottages we don't believe in spending unnecessary money on expensive hardcopy brochures. This, because properties are constantly changing, as will the facilities each individual property provides. By focussing on Digital Media, we have the ability to update properties real-time; whether it be adjusting an image to reflect the season, adding the new flatscreen TV you have just bought or adjusting your pricing to reflect the success of your property. None of this could be done with an annually produced publication and is also one of the reasons why Choice Cottages charges the lowest commission. That said; we pride ourselves in providing potential holiday makers with bespoke personalised digital online brochures of properties specifically suiting their requirements - This publication is fully illustrated and will provide visitors up-to-date photos, descriptions, availability and prices - thus ensuring that however many times you change anything within your property, your description will be up-to-date. Lastly, we know the importance of the environment and aim to provide a quality service, whilst minimising environmental impact.

/ Free professional photography -

A photo says a thousand words, so to ensure we show the highest quality photos of your property we commission a professional photographer at no extra cost to you. In addition Choice Cottages pays for quality "stock" imagery from relevant websites.

/ Free copywriting service -

Our marketing team will look to write an enticing, accurate and appealing description and advert your property to enhance the level of bookings. (The write-up of your property along with the photos will be sent to you for approval prior to launch.)

/ Telephone Service & Online Booking Facility -

We believe it is important to maintain the personal touch we are so proud of. We love to speak to our customers and all our bookings are checked by our bookings team. That said; many customers choose to Book Online and thus the progression to an industry leading Online Booking System, with live Availability has been favourably received by many visitors and operates 24/7, 365 days a year.

/ Analytics -

We maintain an accurate Database of many thousands of customers, both potential and existing, and which allows us to proactively engage with the right Target Audience. We only mail subscribed customer and maintain the highest standards of ethics.

/ Location & Corporate Identity -

We have Shop Fronts in all the key areas where we act as an Agent for Holiday Homes and are constantly seeking new premises as we grow. In addition; our fleet of 'Smart' Cars with prominent Logo's form a valuable tool and facilitate very high visibility throughout the region, throughout the year.

/ Local Knowledge -

All our staff have years of local knowledge and many have grown up in the area. This is an invaluable tool when speaking to visitors; many of whom are eager to get local recommendations of where to go in the area during the course of their stay, along with any local events and hidden treasures.

✓ Expertise -

Self Catering Holiday Cottage Letting is what we eat, sleep and breathe 365 days a year. This has given us a wealth of experience, with more than 10 years in the business. Choice Cottages will happily visit you in person, should you wish to find out more about how we will market your property specifically. We will also proactively work with you on suggested tariffs, facilities and other relevant items to ensure the commercial success of your property.

✓ Service -

Choice Cottages has invested substantially in administrative processes to facilitate accuracy and speed. Bookings are emailed within minutes of being confirmed and a copy is sent directly to you and your property manager. The highly trained, friendly sales team is always willing to assist visitors in finding the right property, using our local extensive knowledge. Sales calls are taken from 9am to 9pm for the convenience of visitors who wish to discuss in person their needs and from the comfort of their homes. All methods of payment are accepted making for an easier transaction process and we guarantee bookings are done efficiently.

H. Property Management Services

The Holiday Homes Management, cleaning, maintenance of the Property and dealing with Visitors, prior to, during and post departure are vital elements in offering a Self Catering Holiday Cottage Let. You are advised to make sure you have everything arranged in advance, for this is a key aspect of successfully letting your Holiday Home. Choice Cottages act as the Agent and not as the Property Manager, so it goes without saying that choosing your Holiday Cottage Management Services is a very important decision when launching your Holiday Home as a commercial Holiday Let. Should you require it; Choice Cottages would be pleased to assist in giving you a selection of recommended Property Managers from the local area.

✓ Cleaning and supplies -

Every visitor rightly expects a spotless introduction to your Holiday Cottage. For this reason, the importance of clean holiday homes and regular maintenance, cannot be overemphasized. Each property should be thoroughly cleaned and all linen changed between every booking. It is always a nice touch, (though not a requirement), that essential supplies such as toilet rolls, soap and kitchen rolls are available when guests arrive. Similarly, guests will appreciate a kitchen store cupboard that contains basics like salt & pepper. Some Owners also go the extra mile and arrange an Arrival Pack with their Property Managers; which may contain some fresh foods like fruit, local produce, bread, tea, coffee and milk. You could also add various little touches like fresh flowers or a bottle of local wine - anything to make your Visitors feel welcome! If the rental is for more than a week, it is a good idea to insist that the property is cleaned and the linen changed every week. (Your Property Manager should liaise with the Visitor to arrange a mutually convenient time). Property Managers serve as the key relationship between the Visitor and the Owner during their stay and so it is highly recommended that you are upfront and clear with them as to your expectations and any associated charges.

✓ Deep Cleaning -

We recommend that the property is deep cleaned at least twice a year. This may include, but is not limited to carpet cleaning, paint touchups, eaves, gutters, chimneys, skirting boards, bathroom and kitchen outlet traps, nooks and crannies and various other intense tasks.

✓ Contacts and Maintenance -

Choice Cottages will supply Visitors with the telephone number and email address of the Property Manager 4 days prior to their Arrival. The Property Manager is the Visitors key contact if there is a problem or an emergency during their stay. The Property Manager should have an up-to-date list with an electrician, plumber and/or a general repair man, who is familiar with the property, and who will be able to come at short notice to make any urgent repairs that are required during the Visitor's Stay. Many Owners arrange a 'float' with their Property Managers to cover such eventualities and also for the day-to-day replacement of non-durable items like lightbulbs or crockery.

✓ Complaints & Queries -

As the Agent, Choice Cottages will only act as facilitator between the Visitor and the Property Manager, who acts on behalf of you, the Owner. It is important that you have clear guidelines with your Property Manager as to how they deal with any complaint and when to escalate the problem to you. Unless the complaint specifically relates to the booking process or the manner in which Choice Cottages marketed or charged for the property, we will in most instances, refer the issue back to the Property Manager for resolution. In some rare instances, it may be that either the whole or part of the Booking will need to be refunded to the Visitor. This will be deducted from any Booking Income you have received on that specific Booking. Should the Visitor require moving to another Property due to unforeseen circumstances, Choice Cottages will work with you to enable a smooth transition for the Visitor. (Note: If the reason for moving the Visitor is due to an unresolvable situation at your property, such as the failure of a boiler for example, the money you would have received for the booking will be used to accommodate the Visitor at an alternative Holiday Cottage. If the fault occurs partway through the Visitor's stay, the Booking total will be apportioned to each Property on a pro-rata basis.)

✓ Damage -

Should any damage to your Holiday Cottage occur during a Visitors stay, your Property Manager will need to provide written and photographic evidence, along with any relevant invoices, before we act on your behalf to recoup all or part of the Damage Deposit of £100 from the Visitor. Choice Cottages will only deduct a Damage Deposit to a maximum of £25 for 'extra /or deep' cleaning and only where there is clear evidence provided that the Visitor did not comply with the Departure Requirements sent to them in their Arrival Pack.

1. BOOKINGS

- i. I appoint Choice Cottages to be my sole and exclusive agent to arrange on my behalf holiday bookings and handle cancellations of such bookings in relation to the Property. I confirm I will not commercially let the Property for those periods (including, for the avoidance of doubt, "Owner Booking Periods" and any other periods) in relation to which I have advised Choice Cottages that the Property is unavailable other than pursuant to this Agreement.
- ii. Subject to Clause 1(i), I understand and agree that if I wish to make the Property unavailable for bookings for any period (including, for the avoidance of doubt, the "Owner Booking Periods"), then I shall telephone Choice Cottages first to check whether a firm booking or a provisional booking has been made for the Property for that period. If the Property is available, Choice Cottages shall then book those dates for me and forward a confirmation letter (containing a booking reference number which I need to refer in any communication with Choice Cottages in relation to that booking). In the event of a dispute as to that availability of the Property I acknowledge that I must produce such Choice Cottages letter as evidence. I agree that if Choice Cottages has accepted a booking (whether firm or provisional) in relation to the property, then such bookings shall take priority and the Property shall be deemed unavailable to me and I further agree that Choice Cottages shall have no liability to me in such circumstances.
- iii. I agree to accept bookings from holidaymakers (through Choice Cottages as my agent) in accordance with the Booking Conditions as published by Choice Cottages brochure from which bookings are made. I acknowledge and agree that a contract exists between myself and the holidaymaker from the point in time that Choice Cottages, acting as my agent, accepts the booking on my behalf.
- iv. I agree that if, through non-compliance with Clause 1(ii) or any other term or provision of this Agreement or otherwise, the Property is unavailable for any holidaymaker who has booked the Property (whether this be a firm or provisional booking) or if the holidaymaker cancels a firm or provisional booking as a result of such non-compliance or if, as a result of such non-compliance that Choice Cottages cancels any firm or provisional bookings in relation to the Property in accordance with this Agreement or terminates this Agreement, then, without prejudice to any other rights or remedies Choice Cottages may have under and pursuant to any term or provision of this Agreement in respect of such breach, I shall be liable to repay Choice Cottages any monies already paid to me in relation to the Property and the relevant booking and to pay the relevant commission, any additional renting costs incurred by Choice Cottages should the holidaymaker accept alternative accommodation and, if necessary, any compensation claimed by the holidaymaker, together with an administration fee of GBP£50.00 (Fifty Pounds Sterling) per booking. In each case payment of such sums will be made by me to Choice Cottages within 21 days of notification to me of such liability.

- v. I understand and agree that if, through non-compliance with Clause 1(ii) above or any other term or provision of this Agreement or otherwise, the Property is unavailable for bookings during the Summer Season (save for the allowed owner Booking Periods), then without prejudice to any other remedy available to Choice Cottages I shall be liable to pay the relevant commission to Choice Cottages unless the start day of the relevant periods is within 14 days of the notification by me to Choice Cottages.

If there are further changes required then I agree that I must confirm these in writing to Choice Cottages. If there are no further changes Choice Cottages will reproduce the Property Description.
- ii. In any event I warrant that no detrimental changes or withdrawal of facilities will be made to the Property, services and facilities detailed in the Property Description in the Choice Cottages marketing or promotional literature, save for reasons beyond my control. Without prejudice to its rights under Clause 8 Choice Cottages reserves the right to refuse to accept any bookings for the Property until any request by Choice Cottages under this Clause 3 (iv) has been complied with.
- v. I undertake to inform Choice Cottages of any matters which are not apparent from the Property Description in the Choice Cottages brochure and which are likely to affect the holidaymaker's enjoyment of the Property and its immediate locality as soon as I become aware of such matters. Following any such notification by me, Choice Cottages in its absolute discretion shall have the right to cancel any existing bookings (whether firm or provisional) in relation to the Property and/or to refuse any future bookings in relation to the Property and without prejudice to any other rights and remedies Choice Cottages may have under and pursuant to any term or provision of this Agreement Choice Cottages shall be entitled to recover from me any monies paid to me in respect of existing bookings (firm and/or provisional) and any sums recoverable under the provisions of Clause 1(iv).
